

PRODUCTION EXPERIENCE

Videographer | Editor

Duke Life Flight / Durham, North Carolina / 2017

- Collaborated as part of a six-person team to produce a video promoting the organization's achievements.
- Captured footage from inside helicopters, ambulances, and a hospital while keeping patient privacy.
- Conducted more than 10 interviews of nurses, pilots, and other staff at Duke University Hospital.
- Edited content gathered into a strong five-minute visual narrative.

Videographer | Editor | Motion Graphic Designer

Reto Juvenil Internacional / San José, Costa Rica / Winter 2017

- Directed a five-person crew to film videos to raise awareness for the organization.
- Developed storyboards for efficient camera shots and motion graphics.
- Crafted multiple videos into a strong visual narrative.
- Designed and animated logo and lower third graphics.

Videographer | Editor | Motion Graphic Designer

Fundación Piedad / San José, Costa Rica / Winter 2017

- Oversaw the setup and dismantling of numerous sets in Costa Rica.
- Produced and edited all videos posted on the redesigned website.
- Directed a five-person crew to film multiple videos while overcoming challenges with lighting and a noisy neighborhood.
- Designed and animated logo and lower third graphics.

Production Assistant

Howton University Webisode / Raleigh, North Carolina / 2015
